Sir you will appreciate the Vidyalaya, as the Vidyalaya have been keenly following the cleanliness drive since long.

The phase wise report is as follows:-

1:- Before the cleanliness drive

The head of the vidyalaya family had been instructing the staff and the students for keeping the classrooms corridors playgrounds toilets labs and other departments clean.

The Staff in consultation with students decided to carry out cleanliness drive very specifically on 25\textsuperscript{th} sept 2014. From 10.30 a.m onwards.

All the Vidyalaya family was very enthusiastic about the said plan and was very positive and hoping to see a clean India.

On 25\textsuperscript{th} Sept the Vidyalaya happily welcomed Mr. Rajesh Yadav (DC Finance) KVS HQ around 7.15 a.m. During assembly program the students presented their views about importance of Cleanliness and shared the views of Mahatma Gandhi on Cleanliness.

Mr. Rajesh Yadav (DC Finance), the Guest of the Day, addressed the Vidyalaya and motivated everybody to keep the surroundings clean and not to wait for anybody’s direction for keeping Vidyalaya clean.
2. During the Cleanliness drive:-

Leading from the front and setting examples the Guest of the day started the cleanliness drive by cleaning an area and planting a tree, which is followed by the principal and the staff and students of the Vidyalaya.

As per plan the students and the staff started cleaning the allotted areas in and outside the school. Everybody enjoyed it and felt Proud as if they had done a great job.

The Guest of the day then started observing each nock and corner of the Vidyalaya.

Everybody decided at this juncture that this specific activity is to be repeated every week to insure that the areas remain clean.
The entire Vidyalaya family was very happy as the observer and the Guest of the day, lauded the efforts of everybody and congratulated the Vidyalaya for being a clean Vidyalaya.

3. **After the cleanliness Drive:**

The entire Vidyalaya Family felt very happy seeing the Vidyalaya more Clean and Green. Which is a evident from below attached Photographs.
Sir, it is our commitment that the Vidyalaya will always remain a clean and green Alma Mater.

Thanking You
