महोदया / महोदय,

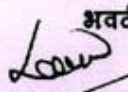

In continuation to this office letter of even number dated 28.03.18, it has now been decided to conduct Student Learning Attainment and Teachers Effectiveness (SLATE) test through an Independent Agency for Classes III, V & VIII (for students studying in Classes IV, VI & IX respectively) in all Kendriya Vidyalayas for the year 2018 on offline mode on 28.08.2018 (Tuesday) with multiple choice questions in English, Mathematics for Class III, English, Mathematics, and EVS for Class V, English, Mathematics, Science & SST for Class VIII.

The password protected question paper for SLATE test will be made available to all Deputy Commissioners through mail. Therefore, you are requested to sensitize all Principals under your Region to conduct SLATE 2018 on the scheduled date.

The SLATE test is a very significant strategy to measure the learning outcomes under the project "Back to Basics", hence, it has to be taken seriously by principals, teachers and students. Sample papers alongwith answer keys of Class III (English), Class V (Science), & Class VIII (Science & Social Science) are attached for practice. Based on these sample papers the schools can conduct many more such practice tests before final SLATE test to be held on 28.08.18.

Please note that SLATE result analysis will help us to identify areas of our strength and weakness. It is expected that it will be conducted with utmost fairness and sanctity.

The other details of the test will be shared in due course of time.
